Tips for Successful Cub Scout & Adult Recruiting

www.shac.org/recruiting

Welcome to Fall Recruiting in the Sam Houston Area Council! Your mission is so very important because everything you do...and the way you do it...has the potential to make a positive impact on the lives of the youth and families in our community. Thank you for your efforts to build tomorrow's leaders by growing Scouting today!

To launch this fun in the very best way, remember that every new Cub Scout who joins in 2023 will receive a free *Estes Model Rocket!* Rockets will be distributed by District Executives upon receipt of completed and paid applications for new youth, including youth who applied online. When new Cub Scouts and their families attend the pack's Parent Orientation meeting, the pack leaders can make a fun and exciting presentation of rocket kits (without engines, for now) to all the newly registered Cub Scouts!

All Cub Scouts who register at Sign-Up Night will also receive a special edition *Rocket into Scouting 2023* patch (see below) as an "instant recognition" of becoming a new Cub Scout!

Sign-Up Night Branding

- 2016 marked the first year of the Sign-Up Night brand (formerly “Rally Night” or “School Night for Scouting”), designed to help volunteers, parents, chartered organizations, staff, and the community-at-large better understand our purpose – coming together to sign new youth up for Cub Scouting!
- Sign-Up Night resources are available to help recruiters successfully invite youth and their families to join, involve them immediately in quality activity, and inspire them to keep Scouting a part of their lives. See www.shac.org/recruiting for the latest resources and ideas.

Key Elements to All Sign-Up Nights

- Pack leaders should execute a Sign-Up Night following the guidelines given in this booklet to make that method a success. Individuals coordinating and speaking on behalf of Scouting should be the most qualified presenters, trained and well prepared. See a video example of each method at: www.shac.org/recruiting
- Sign-Up Nights at each school should be kept to 30-45 minutes. A separate Parent Orientation Meeting should be held within one week following Sign-Up Night to help introduce new families to more information about the pack and its activities.
- Sign-Up Nights at each school should only be held on a Tuesday, Wednesday, or Thursday evening, and never the day after a major holiday, such as Labor Day
- Scout Talks in the school should not be conducted on a Friday, as youth may lose their excitement about Sign-Up Night and Scouting over the weekend.
- Pack leaders should welcome families and be sure they register on the Sign-Up Night Roster to accurately record every parent and youth that attends.
- **Pack leaders should obtain a completed youth application, signed by the parent and unit leader, for every youth who attends Sign-Up Night to ensure all critical contact information is obtained.**
- Each family should submit the registration fee at Sign-Up Night.
- All applications and registration fees must be turned in to the District Executive within 24 hours of the Sign-Up Night or that week’s Thursday turn-in.

Sign-Up Nights held at each school are always more successful because parents & potential Scouts are already familiar with their school!

BOY SCOUTS OF AMERICA®
SAM HOUSTON AREA COUNCIL

- Every family should receive a welcoming phone call from the den leader, Cubmaster, or committee chair within a few days of registration.

2023 Fall Recruitment Timeline

Why have a Timeline? –To better capitalize on promotional efforts, create excitement, and ensure enough time to recruit youth through follow-up efforts, we will have a tight window for all first-round Sign-Up Nights. These must be scheduled on Tuesday, Wednesday, or Thursday evenings during September.

All Sign-Up Nights should occur at the local elementary school whenever possible.

August

- **Secure** date, time, and location for both first and second Sign-Up Nights
- **Secure** Scout Talks ahead of the first Sign-up Night—day before or the same day as Sign-Up Night
- **Promote** Sign-Up Night

Preparing New Families

Packs with an excellent track record of membership development and retention have one thing in common— they are prepared to receive new youth into their program. To prepare your pack, follow these guidelines:

- Create a short, colorful pack information sheet to distribute to all new families at Sign-Up Night. (see sample at: www.shac.org/recruiting)
- Involve existing parents in creating a welcoming environment, where new families can quickly feel connected and learn more about Scouting. Nationally, the #1 reason given by families who dropped out of Scouting last year was that no one made them feel welcome...they never felt connected. Let's all commit to doing a better job of being helpful, friendly, courteous, and kind!
- Host a separate Parent Orientation Meeting within one week of Sign-Up Night (see a sample Parent Orientation Agenda below) to share more details about the pack's leadership, fall activities, fundraisers, and the 2023-2024 pack calendar. This is also a great opportunity to make a fun presentation of the

BOY SCOUTS OF AMERICA®
SAM HOUSTON AREA COUNCIL

rocket kits for the new Cub Scouts!

Role of Unit Leadership

The recruiting of Scouts and leaders happens at the pack level and in the communities where people live, work, and play. While the Sam Houston Area Council and the district membership teams will support each pack in their recruiting efforts, each pack will be responsible for the following:

- Designate a pack Sign-Up Night Coordinator – Person who takes the lead in organizing the Sign-Up Night.
- Commitment to conduct a Sign-Up Night at the local elementary school in September 2023.
- Confirm Sign-Up Night dates with District Fall Recruitment Chair or District Executive by August 21, 2023.
- Display the yard signs in high visibility areas from August through October.
- Turn in all new member applications and fees to the District Executive within 24 hours of Sign-Up Night or at that week's Thursday turn-in.
- Distribute rockets (without engines) to newly registered Scouts during the Parent Orientation Meeting.
- Promote the registration and participation of families at district and council events offered during the fall, including rocket launch events.
- Inform new leaders of online and in-person training opportunities.
- Conduct a second recruiting event in late September/early October following the same steps as before.

Marketing Your Sign-up Night

(See www.shac.org/recruiting for recruitment resources)

Yard Signs

Display the yard signs in high traffic areas in your neighborhood and near the school(s) where you recruit members.

Flyers/Posters

Put up flyers/posters anywhere—school, daycare centers, community centers, grocery stores, restaurants, bowling alley, etc.

School and Neighborhood Newsletters

BOY SCOUTS OF AMERICA®
SAM HOUSTON AREA COUNCIL

Write an article for your school and neighborhood newsletters, spotlighting Scouting and all the activities and good things your unit is doing to make an impact in your local community and at your school...include pictures!

Church/Chartered Organization Bulletins

Work with Chartered Organization leadership (Chartered Organization Representative and Institutional Head) to be sure all play a role in recruiting success. Encourage the chartered organization to publish your announcement in the church bulletin or newsletter the week prior to your Sign-Up Night.

Meet the Teacher Night / School Open House

This is a great time to have a booth set up to show off Scouting and explain what your unit does best. The open house should NOT replace your Sign-Up Night but should be used to encourage people to attend and enroll.

- Booth manned by 2 or 3 excited volunteers, decorated with Pack pics, tent, camping gear.
- 30 second sales speech driving people to the Sign-Up Night.
- Collect 5 pieces of contact information on a sign in sheet (provided and downloadable from the website) and hand them a flyer (if allowable).
- Email **same night** to all who signed in welcoming them and inviting them to Sign-Up Night.
- Follow up email / call the day before reminding and inviting them to the Sign-Up Night.

Peer-to-Peer Cards

Give these cards to your youth so they can distribute them to their friends with the date, time, and location of your Sign-Up Night. These cards will be available for Cub Scouts, Boy Scouts, and Venturing. Ask your DE!!!

Email Invitations (parent to parent)

Ask parents in your pack to send an email to their friends that have Scout-age youth. People like to join organizations where they know other people. An email lets them know their friends are involved, too.

Social Networking

Ask parents who are on Facebook, LinkedIn, Twitter, Instagram, Snapchat, NextDoor, etc. to update their status about your pack's website and the Sign-up Night, or simply have them go to www.BeAScout.org for more details.

5. Celebrate Them

Pull them up front, send a notice to the Facebook group, etc. to welcome all new Scouts/families. The more you celebrate them, the more they feel included and get involved.

Paper Registration vs. Online Registration

Starting in 2017, Online Registration through the BSA Online Registration Portal became a functional and viable alternative to paper registration for units in the field. More and more, families who grew up with fast access to technology are coming into Scouting age; as they do, they lean more onto online resources than on traditional paper applications. Units who adjust with the demand are finding that online registration is quick and easy, but there are some important steps to follow:

CHECK OUT THE ONLINE REGISTRATION GUIDEBOOK FROM THE BSA, AVAILABLE AT:

<https://www.scouting.org/resources/online-registration/>

CLICK ON THE "ONLINE REGISTRATION UNIT GUIDEBOOK" under the "How To" Section of the Page

Tips for Successful use of Paper Applications

- Make sure each family fills out the Sign In sheet as they enter the Sign-Up Night.
- Make sure that each family gets an application packet as they walk in the room.
- Ask them to start filling out the application before the presentation begins.
- Check the application with them for accuracy & completion before they leave.
- Collect fees with the application.
- Contact all attendees who did NOT submit an application that evening inviting them to parent orientation and remind them to bring their application.
- Get the paper applications to your District Executive ASAP so you can get your rockets!!!!

Tips for Successful use of Online Applications

- Make sure your unit is set up to accept online applications on BEASCOUT.ORG.
- Make sure each family fills out the Sign In sheet as they enter the Sign-Up Night.
- Have your Unit's QR code in posted multiple locations at the Sign-up Night (on the flyer if possible) so it is easy to locate. Prompt attendees to scan the code and go to the site to sign up.
- If you don't know where to get your QR code, please contact your District Executive.
- Remember that the online system only collects National BSA Registration Fees, not Pack dues.
- Contact all attendees who did NOT submit an application online that evening inviting them to parent orientation and remind them to complete their application online.
- Provide a copy of the complete online registration roster for your unit to your District Executive who can then provide you with rockets for those youth.

Invite Them Back! Regardless whether they signed up or not, make sure your Pack provides each family with an invite to the next meeting (parent orientation)!

Text to Join, the Join Landing Page & Utilizing Online Registration

Starting in 2020 and due to the global pandemic, engaging with families in a completely digital way became paramount for ensuring their access to Scouting. As such, the Sam Houston Area Council developed a completely digital strategy for families to connect to their local Scouting unit.

Text to Join

The Sam Houston Area Council partners with a secure Text to Join provider, resulting in a simple and easy way for families to join Scouting digitally. ***Your unit already has this function available to you!***

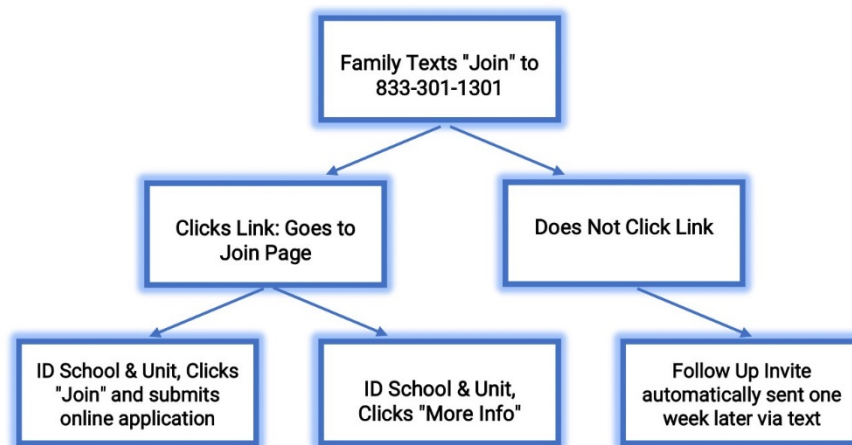

On your flyers, posters and yard signs, place to following simple message:

Text “Join” to 833-301-1301

Digital Flow to Join

Utilizing Text to Join services, interested families could text a simple number, land on a “join home page” from which they can search for their school or church. The family could then select to receive more information about their local pack, connect with the unit leadership or even click on a unit’s “join button” to directly join the unit through BeAScout.org.

The flow looks like this:

Setting Your Unit Up for Success

So how do you ensure that your Pack is ready for a success? First, visit www.shac.org/join and make sure that your Pack information is correct. Then visit www.beascout.org and make sure your Pack’s contact information is correct. It’s that EASY!!! If you have corrections that need to be made, please notify your district executive so they can help you get that information updated.

BOY SCOUTS OF AMERICA®
SAM HOUSTON AREA COUNCIL

Once your unit's Pack and contact information is correct, interested families simply have to text "join" to 833-301- 1301 and will be able to find their school, your Pack, and sign up online.

Sample Sign-up Night Agenda – Presentation Method

(Recommend minimum staff: 10 uniformed leaders from the pack, a nearby troop or the district)

Watch the how-to video at www.shac.org/recruiting

All Sign-Up Nights are designed to be fast paced for today's busy parents. The presentation method has been used successfully for many years. Remember that the goal is to sign up new Scouts and adult leaders. Packs are asked to avoid the use of PowerPoint presentations because they tend to include too much information, take too much time, and often cause interested families to leave without signing up because they simply can't stay so long. Instead, new Cub Scouts and parents should be invited back to a Parent Orientation a week later, which gives the pack an opportunity to share more information about their activities and leadership.

The key to making any Sign-Up Night successful is advanced planning and preparation, including recruiting enough enthusiastic volunteers to help. A model campsite with a tent, camp chairs, fishing poles, etc. should be to one side of the presenter, so everyone clearly sees some Scouting fun while they're there!

Before the meeting (20-30 minutes)

- Set up tables, chairs, and model campsite.
- Welcome Packets – youth & adult applications, Pack Information sheet, Parent Orientation flyer, etc.
- Rocket patches.
- Pens & checkout materials.

Welcome & Introductions (5 minutes)

- Lead the Pledge of Allegiance.
- Introduce pack leaders.

Families Came to Sign Up! Sign them up and get them out! Resist the urge to flood them with information. Sign Ups should be 30 minutes max, start to finish.

What is Scouting (10 minutes)

- Youth development program that builds character & confidence
- Family-oriented; all members of the Scout's family encouraged to participate when/where possible.
- Fun with a purpose—youth will have fun while learning leadership skills.
- Briefly describe upcoming pack activities and a recent activity over the summer.
- Briefly describe leadership structure of the pack.

Volunteer Commitments (10 minutes)

- Call a new den to the front, have each new Scout say what activity they are looking forward to the most.
- Tell the parents of the den that these future Scouts are ready to begin their Scouting journey, so they need coaches, mentors, adults to lead them...we call them Den Leaders.
- Ask which parents are committed to help them on their journey and would like to volunteer.

BOY SCOUTS OF AMERICA®
SAM HOUSTON AREA COUNCIL

- Complete Application – have simple recognition for all newly-recruited leaders whose applications and fees are turned in
- Repeat this process for each grade level, if needed

Youth/Adult Registration (5 minutes)

- Discuss pack and BSA registration fees, insurance, and magazine subscription option.
- Refer to Pack Information sheet – mention key upcoming dates.
- Emphasize Parent Orientation meeting – date/time/location, rockets handed out, FUN!
- Direct all to Turn-In tables to gather applications & fees, present youth with rocket patch.

After the Meeting

- Collect all applications/fees, present youth with patches, answer questions.
- Visit with new leaders & parents, encourage Parent Orientation attendance.

Sample Parent Orientation Meeting Agenda

Before the meeting (20-30 minutes)

- Set up table and chairs, as needed.
- Roster from Sign-Up Night.
- Youth and Adult registration applications (for new families).
- Review Parent Orientation Agenda.
- Ceremony and games equipment.
- Pens

Opening (5 minutes)

- Lead the Pledge of Allegiance
- Introduce pack leaders.

Pack Program/Fundraising (10 minutes)

- Discuss the pack's plans, mentioning some of the more exciting activities.
- Discuss the upcoming fall events and distribute event registration information.
- Impact of Popcorn sale as a fundraiser for the Pack and each family

Dismiss the Cub Scouts to another room for games and activities with proper supervision.

Unit Leadership Needs (15 minutes)

- Prepare list of unit leadership opportunities in advance...separate needs by jobs that need to be done every month (like Advancement) or things that get done seasonally (like organizing a campout).
- Using whiteboard, blackboard, or poster board—have list of all open positions in the Pack, with the number of volunteers needed for each position.
 - Example: Pinewood Derby 3 adults, Blue & Gold 3 adults, Christmas Party 1 adult, etc.
- Ask for at least one adult from each family to participate in one of the roles until you have adequate leadership.
- Discuss adult registration fees and uniforms.
- Talk briefly about helping new leaders get started—training requirements, meeting resource guides, etc.
- Simple recognition for all parents who have just volunteered.

Den Organization (20 minutes)

- Have the Cub Scouts rejoin the group and sit by grade level.
- For dens that already have a Den Leader:
 - The den leader discusses den meeting dates, times and locations.
 - Recruit parents to assist with den meetings.
- For dens that do NOT have a Den Leader:

Families Came to Participate! THIS is where you share all the great things your Pack will do this year...not at Sign-Up Night. Because families have already committed to participate by signing up, they will now find the time to say YES to participation in all the great activities, including volunteering!

BOY SCOUTS OF AMERICA®

SAM HOUSTON AREA COUNCIL

- Another Pack leader will need to guide the discussion.
- Discuss the possible meeting dates, times, and locations.
- Talk with individual parents to secure den leadership.

Reminder Announcements (10 minutes)

- Date, time, and location of the first Pack meeting
- Upcoming training courses
- Fall activity information
- Popcorn sale dates

After the meeting—enjoy fellowship and refreshments

2023 Resources for Digital Recruiting Be Prepared, Marketing, Communication

With the 2022 – 2023 school year behind us, many tools that were developed during the pandemic still hold relevance moving forward. Sam Houston Area Council came up with a three prong approach to ensure that Packs had the resources needed to reach new families and get them involved in Scouting. With schools open for in-person classes, this approach can be utilized with in-person sign ups for a wholistic recruiting strategy.

Be Prepared

1. Geofencing
 - a. **What is it** – Geofencing is an online marketing tool which uses cellphone based proximity to advertise directly to a particular market group. Generally done through apps like Facebook and Twitter, Geofencing places an invisible fence around a geographic location, and when someone in the market group enters that location, sends them a message through their social media platform. To see more about how geofencing works, check out this video: <https://youtu.be/-KKsUhpzbTc>
2. Be A Scout
 - a. **Update your contacts** – BeAScout is a great tool, providing that your contact information is updated and people can reach you. Take some time today to ensure that your www.beascout.org pin is updated and your contact information is correct. Not sure how to do it? No Problem! Here are two resources to help you:
 - i. Unit Guidebook for Online Registration (Check out Page 6):
<https://i9peu1ikn3a16vg4e45rqi17-wpengine.netdna-ssl.com/wp-content/uploads/2018/08/Unit-Guidebook-for-Online-Registration-November-2018.pdf>
 - ii. Be A Scout Webinar: <https://vimeo.com/437251195>
 - b. **Make sure online applications are active for youth / adult** – Making it easy to apply online is key for a successful digital recruiting campaign. Check out the Unit Guidebook for Online Registration to see how to utilize the online registration system :
<https://i9peu1ikn3a16vg4e45rqi17-wpengine.netdna-ssl.com/wp-content/uploads/2018/08/Unit-Guidebook-for-Online-Registration-November-2018.pdf>
3. www.scouting.org/recruiting – This is a National website focused on giving you the skills needed to execute in a digital environment. There are amazing trainings that will help you navigate Scouting in the digital environment:
 - a. <https://scoutingwire.org/marketing-membership/>
 - b. Recruitment webinars Are Here: <https://scoutingwire.org/marketing-and-membership-hub/>

4. BSA Brand Center - This National website is full of great new videos and tools that you can use on your Packs Facebook Page, website etc. Check out the Fall Recruiting Videos under the Cub Scouts tab for great videos to utilize on social media
 - a. <https://scouting.webdamdb.com/bp/#/>
 - i. Scout Talk video
 1. Think of this as digital peer-to-peer recruiting. Scout aged youth are encouraging other youth to join Scouting.
 2. Sending this video to schools to play either on their zoom classes or at campus video announcements, or post the video in a curriculum portal / email it to the parents.
 3. Newly created that take the place of an in-person Scout Talk. Get these in front of the parents and youth.
 - ii. 5 Questions video
 1. This takes the place of the traditional Sign Up Night by quickly answering parent's questions.
5. Text To Join – Text “Join” to 833-301-1301 and see what happens! An autoreply text message with Scout Me In logo appears and drives interested parties to our landing page where they can sign up for the Pack at their school/church.
6. www.SHAC.org/join - This is what it's all about! Driving families to this site will allow them to get all sorts of information about your Pack including: what school you serve, what night you meet on, what your Packs due are and what that includes. It works like this:
 - a. Families use the Search Tool to select the school district of their child.
 - b. They find their child's school on the list and BAM...they can join right there!

Marketing

None of the resources above will work if you don't market your Pack through the community. Grassroots marketing will be your best friend here, so don't be afraid to put out those resources and get creative! Some of the best ways to do this are to:

1. See if the principal will send home a message (or better yet our digital flyer) with the Text to Join and www.shac.org/join site on the flyer. Your District Executive can help you get this flyer ready for you!
2. Yard signs galore! Put them out all over your community with the message: Text "Join" to 833-301-1301 to Join! Not only will you be making it easy for families to join your Pack, everywhere in Houston people will see the same message, and be led to the webpage where they find their school's Pack!
3. Posters: It's a fact...posters in community centers, coffee shops and around town are an extremely effective tool. Like the yard signs, utilize Text to Join and the www.shac.org/join page to make it easy and efficient for families to find you!
4. Social Media (Facebook, Twitter, Nextdoor): Blast your social media pages with the Text to Join and www.shac.org/join links. You can get great images for marketing on social media on the BSA Brand Center (see above).

THIS LIST IS NOT COMPLETE! Share your great marketing ideas on the Council Facebook page!

Communication

This whole exercise will be a waste of time if Packs don't follow up with the families that sign up online. Make it a point to have a Welcome Meeting as your first meeting back. Have parents go through the orientation while the new Scouts play in a household scavenger hunt!

1. Designate your most welcoming leader as the BeAScout contact. This person can review and approve all applications that come in provided that the Key 3 has given them this designation in my.scouting.org (reference the Unit Guidebook to Online Registration above for instructions).
2. Follow Up, Follow Up, Follow Up.
 - a. A phone call welcoming the new family to the Pack should happen within 2 or 3 days of them joining online. Even if it is just to say "Hello & Welcome". Don't have your parent's meeting date locked in yet? No Problem! Tell the new joining families that you are welcoming all new families at a singular online meeting in a few weeks. You just wanted to say welcome and get them in contact with someone at the Pack.
 - b. Send a follow-up form email that provides key Pack leader information and parent orientation meeting date.
 - c. Call them back a few days before the parent orientation meeting to remind them to attend!

BOY SCOUTS OF AMERICA®
SAM HOUSTON AREA COUNCIL

Great deals are made or lost in the Follow Up, and Scouting is a great deal for all our families. Make them feel welcome by communicating often!
